"The United States Government is in urgent need of thousands of typewriter operators and stenographers and typewriters. All who pass examinations for the departments and offices at Washington, D. C., are assured of certificates for appointment. It is the manifest duty of citizens with this special knowledge to use it at this time where it will be of the most value to the Government. Women especially are urged to undertake this office work. Those who have not the required training are encouraged to undergo instruction at once,"

Here Is a Duty That Spells OPPORTUNITY Civil Service Positions Pay From \$1,100 to \$1,500 a Year to Start

New classes of future stenotypists, stenographers, typewriters and cleri-cal workers are being organized now. You should arrange to join one of these classes immediately. Within a few months you will be able to answer the call for your services—be ready to step into a responsible position paying a premium salary from the start. You would not postpone success—don't postpone the decision that means success.
